

Single-Door Visual Merchandisers

Models COR7VM, COR12VM,
COR17VM and COR23VM

COR7VM

COR12VM

COR17VM

COR23VM

Features

- Refrigeration systems are designed to efficiently cool products even under high ambient conditions of 90°F (32°C) and 65% relative humidity
- Forced-air evaporator provides quick temperature pull down
- Heavy-duty hinges with automatic return
- Exterior and cabinet interior are made of galvanized, pre-painted steel with baked polyester paint
- Robust body injected with high density CFC-free polyurethane
- Forced-air condenser made of copper and aluminum is resistant to rust and saline environments
- Reinforced 16-gauge steel base
- Heavy-duty condensing unit is located in front for easy maintenance access
- NSF compliant interior cabinet
- Double-paned, Low-E tempered glass doors, effective for highly humid conditions (65% relative humidity)
- Heavy-duty shelves
- Attractive PVC frame
- Illuminated top-header sign
- R-134a refrigerant, CFC free
- Fan motors: sealed, cast iron oil filled with life expectancy of 10 years
- T-8 lighting system and electronic ballast provide a life expectancy of 24,000 hours
