

# Back Bar Cooler

Model COR15BBCD

COR15BBCD

## Features

- Black pre-painted steel exterior
- Stainless steel counter provides space for food and beverage handling
- White pre-painted steel interior offers ample storage space for refrigerated bar products
- Self-closing doors with safety stop at 120 degrees
- Heavy-duty, chrome-plated hinges
- Hermetic seal with a vinyl magnetic gasket keyed into a thermal breaker
- Recessed handles
- Incandescent interior light
- Fully sealed galvanized steel base to prevent dirt accumulation underneath the unit
- Adjustable white epoxy-coated steel wire shelves
- Bumpers on the back of the cooler provide protection
- Extra-dense, foamed-in-place polyurethane insulation provides solid structure and low energy consumption
- Wall thickness averages 2" (5.1 cm)
- Forced-air refrigeration system permits rapid pull-down and balanced temperature throughout the cabinet interior
- R-134a refrigerant, CFC free
- Self contained
- Simple installation
- Complies with NSF standard 7
- UL listed
